Welcome Message

Dear Friends,

It gives us an immense pleasure to welcome you to 2nd Pune Arthroplasty Course. 1st Pune Arthroplasty Course was a huge success and was appreciated by one and all. Last year, we had saw bone workshops for hip & knee arthroplasties, surgical video sessions and interactive panel discussions. To take it to next level, this year we will have live surgery demonstrations, debates, hands on training for acetabular cementing techniques and much more.

In addition to leading national faculty we will have renowned international faculty to guide the delegates on all issues related to Knee & Hip arthroplasties. We have also added sessions on revision arthroplasties, which is coming up in big way.

Looking forward to welcome you to this action packed two days event.
